Town Manager's Report

It is a pleasure to present to you citizens of Ashland the annual Town Report on Municipal Government operations for the fiscal year 1956.

Progress during the past year has been made in the development of the Municipal Government Program. Tangible accomplishments are a matter of record.

We are trying to face up to our problems but this is not an easy task. Much of our situation is a matter of economics and long range planning. In the future we are going to be called upon to make changes in our utilities, both Water and Electric Light Departments. At the present time a reserve fund is being set aside every year to help meet any unforeseen developments. Acceptance by you, the people, of any recommendations by us will show positive effort to help all of us. The Selectmen's decisions and willingness to come to grips with problems is perhaps where our greatest progress can be made.

We want to express our appreciation to each of you and the entire community for your continued assistance and support. It is a privilege to serve as your Board of Selectmen and Town Manager.

ROBERT W. RHODES
Town Manager

EDWARD N. DOGGETT
BERNARD AVERY
HOMER N. YOUNG
Board of Selectmen

Town Maintenance

The primary concern of this department is, of course, the maintenance of the streets and highways. Efforts have been made to upgrade the usual oiling and road maintenance work in order to cut down on the frequency of doing this work. It is hoped that this will make possible the oiling of our roads and streets on a three year basis. Actually by concentrating on only one-third of the roads and streets each year we can build surfaces which will better resist wear and tear. A major improvement was made on Thompson Street

this past year by widening the road and constructing proper drainage at various points. Considerable difficulty was encountered in the removal of ledge. Care had to be exercised due to the proximity of dwellings and water mains. Three new catch basins were installed and 465 feet of 12-inch concrete pipe was laid. Further work on this section of the road will be done this year in sloping and resurfacing the complete project. This work should be continued until proper drainage has been made along the entire street. With the coming of the new State Highway, the Town will be compelled to take over Route 3 from the bridge at the boat livery and coming North to Buttry's Dairy Bar. This will make added maintenance problems but the Town will not accept this section unless it is given to us in good repair. I would like to thank the local State Highway personnel for the cooperation that we received. It is well appreciated.

Sidewalk Construction

We were able to make definite progress this year in our sidewalk construction. A contractor was employed to resurface a major portion of the sidewalks on Main Street and we plan to continue this each year until we have all of our sidewalks in good repair.

Welfare

Total expenditures for all forms of assistance has been low this past year. We are fortunate in this community to have the steady employment that is made available by our industries located here in Town. This definitely tends to give us a healthy outlook to our welfare problems.

Water Department

The Water Department encountered more activity this year than last. We had two breaks in our Mains, one break in the 10-inch main on South Main Street and another break in a 6-inch main on North Main Street. Both were repaired as quickly as possible and service restored. Twenty-six house services were renewed from galvanized pipe to copper tubing, which is improving our service to the consumer. They are able to receive a better supply of water as well as less chance of a break occurring. Six new services were also established. One hydrant was moved on North Main Street to a better location to eliminate the danger of being struck by snow plowing operations. The Town reservoir was drained and cleaned this past fall. The Water Department made a profit this past year of \$3494.27.

Electric Department

New line construction this year was made from the Sub Station to the L. W. Packard Woolen Mill. It was a definite improvement not only for revenue received from the new consumer, but it also gave us new construction for our other services. There was also new line construction on Thompson Street from Monument Square to the end of the Thompson Street construction.

New line construction to the summer residents is in the plans for this year. We are carrying a very heavy load in our lines going through Main Street and River Street. This is to be alleviated by constructing heavier lines up Thompson Street to the summer properties.

Transformers presented a difficulty this year in that many that were in use were not heavy enough to give the proper service. This is being remedied by replacing them with new, heavier installations. It is the aim of this department, as well as all other departments, to give you the best service possible.

Considerable work was completed this year on our trees. The removal of a number of trees as well as trimming of them was necessary to keep our lines free from damage. This work will be continued this coming year.

The Department made a profit of \$8226.80 this past year. In the year 1957 all governmental agencies within the Town are to be billed as regular customers. This will give you a true picture of what your Electric Department can actually take in for income. The following will give you a brief resume of what the cost of the departments were this past year:

Town Garage	130.57
Fire Station	70.72
Library	79.56
Street Lights	4891.32

School:

High School	589.59
Grammar School	287.44
Auditorium	583.24
Shop	101.11
Boiler Room	74.46

Steps are being taken to make prints of the present Electric Lines. This will enable the Department to keep a permanent record of changes made, as well as a guide to future expansion.

Town Highlights 1956

- Ordinance adopted establishing a building code in the Town.
- Drainage and construction on Thompson Street completed in 1956 with resurfacing program for 1957.
- Additional revenue for Electric Department with new line construction and additional services.
- Budget surplus for the year of 1956 was \$3093.71
- Money to be raised by taxation for the Town was reduced from \$56,548.56 in 1956 budget to \$50,433.64 in 1957 budget, a difference of \$6,114.92 or approximately \$2.50 decrease in tax rate.
- Town water reservoir was cleaned.
- A Town map was printed through the efforts of the Planning Board and cooperation of the School.
- Purchase of storage sheds from Boston and Maine Railroad for storage of equipment and salt. This enables the Town to purchase bulk salt and store in a dry place, eliminating the purchase of bag salt which is more expensive.

A seasonal permit may be issued at the discretion of the Warden.

Fishing and Hunting licenses are available from the following:

Ashland Gun Shop
Al's Boat Livery
E. J. Paquette
The Y. D. Pharmacy

Town Warrant for 1957

State of New Hampshire

To the inhabitants of the Town of Ashland, in the County of Grafton in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the High School Auditorium in said Ashland on Tuesday the 12th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary officers for the year ensuing.
2. Shall the Provisions of Chapter 171A of the Revised Laws, relating to playing games of Beano be adopted in this Town? (According to State Law this Article will appear on the printed ballot.)
3. To see if the Town will approve and adopt the special recommendations of the Budget Committee and vote to raise and appropriate the various sums contained in the report and located in the Budget as follows:

Town Officers' Salaries	\$ 6,450.00
Town Officers' Expenses	4,255.00
Election and Registration	285.00
Municipal Court Expenses	400.00
Town Buildings & Property	1,760.00
Police Department	4,000.00
Fire Department	6,000.00
Care of Trees	400.00
Insurance	2,750.00
Health Department	4,100.00
Vital Statistics	50.00
Town Dump	550.00
Town Maintenance	12,200.00
Street Lighting	5,000.00
Street Resurfacing	2,000.00
Library	1,200.00
Town Welfare	500.00
Old Age Assistance	6,000.00
Memorial Day & Care of Flag	300.00
Parks & Playgrounds	1,200.00
Electric Department	39,810.00
Water Department	3,975.00

State Tax Commission

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 20, 1957

Board of Selectmen
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Ashland for the fiscal year ended December 31, 1956, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Water and Electric Light Departments, Municipal Court and Library.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1955-December 31, 1956: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1955 and December 31, 1956, are presented in Exhibit A-1. As indicated therein the Net Debt decreased by \$7,608.36 in 1956.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt

Net Budget Surplus	\$3,093.71	
Bonds and Long Term Notes Paid	7,760.00	
	<hr/>	
		\$10,853.71

Increases in Net Debt

Decrease in Accounts Receivable	\$3,141.04	
Increase in Accounts Payable	86.13	
Transfer of Tax Liens to Tax Deeds	18.18	
		<hr/>
		\$ 3,245.35
Net Decrease		<hr/>
		\$ 7,608.36

Comparative Statements of Appropriations & Expenditures— Estimated & Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1956, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$3,137.69, less a net overdraft of appropriations of \$43.98, resulted in a net budget surplus of \$3,093.71.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary of receipts and expenditures for the fiscal year ended December 31, 1956, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1956, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased from \$17,581.14 to \$16,981.93 during 1956, as shown by the following statement:

	December 31, 1955	December 31, 1956
Total Assets	\$74,963.23	\$80,713.42
Current Liabilities	57,382.09	63,731.49
Current Surplus	\$17,581.14	\$16,981.93

Closing Accounts:

The accounts of all town officials should be closed as of December 31st and should not be kept open for more than a week after that date. All funds should likewise be deposited within this period. It is noted that bank deposits on account of funds applicable to the 1956 fiscal year were made up to and including January 21, 1957.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Ashland for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Alan R. Matthews, Auditor
Oliver E. Gagne, Accountant

Concord, New Hampshire

February 20, 1957

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Ashland for the fiscal year ended December 31, 1956. In our opinion the Exhibits included herewith reflect the true financial condition of the Town of Ashland on December 31, 1956, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Alan R. Matthews, Auditor
Oliver E. Gagne, Accountant

Library Report

Mrs. Royce Wilder made a gift to the Ashland Library of a set of 18 volumes by Balzac and 8 volumes by Alexandre Dumas.

A complete set of Zane Grey's books were received from Mr. Harry Batchelder, sixty books in all.

Special books purchased from the Cheney Fund are—

The Granite State (4 vol.)	by Squires
John Goff's Legacy	by Woodbury
Amos Fortune	by Yates
Boon Island	by Roberts

Mr. and Mrs. Leslie Carey presented several books of poetry, prose and reference books.

The sunparlor has been made into a reading room by the Scribner Trustees. New floor covering and new chairs were purchased by the Library Trustees.

New slip covers were made for the divan and a reading table was refinished.

Respectfully submitted,

PAULINE L. PACKARD

Chairman

Report of District Fire Chief

Your Town Dump

Use it freely

Care for it

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised—regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you—personally and financially.

If, however, you burn on your premises

1. Secure a permit from your local forest fire warden—the law requires it. The warden won't refuse you if conditions are safe.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty

Use your dump freely

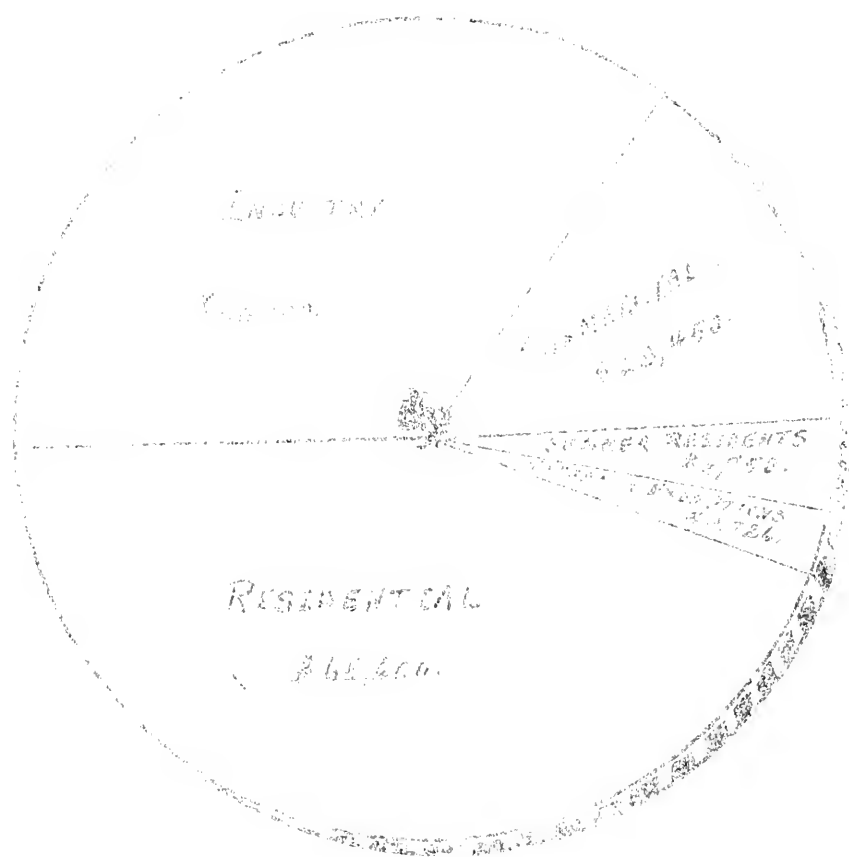

Help keep it safe

Number of local fires	1
Number of acres burned	2
Number of permits issued	75

Minutes of 1956 School District Meeting

At the March 9th, 1956 School District Meeting held at 8 o'clock in the evening, at the High School Auditorium, in Ashland, N. H., the following action was taken:

- Article 1. Richard B. Merrill was elected Moderator, and took oath of office.
- Article 2. Lillian M. Young was elected Clerk, and took oath of office.
- Article 3. Andrew C. Cushing was elected a School Board member for three years ensuing, and Mrs. Jeanette B. Lee was elected a School Board member for three years ensuing; and each took oath of office.
- Article 4. Max Weisberg was elected Treasurer, and took oath of office.
- Article 5. Voted to dismiss.
- Article 6. Voted to dismiss.
- Article 7. Voted to dismiss.
- Article 8. Motion carried to raise and appropriate the sum of \$104,813.38 for the support of schools, for the salaries of School District officials and agents, and for the statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with said income; the School Board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by the taxes of the town.
- Article 9. Motion carried to authorize the School Board to make application for and to receive, in the name of the District, such advances, grants-in-aid, or other funds for the educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies.

Article 10. Motion carried to authorize the Moderator to appoint a committee consisting of a representative of the Selectmen, P. T. A., Budget Committee, and three members chosen at large to work with the School Board in making a study of the school building needs, and report at a future meeting, bringing in such plans and recommendations as may seem desirable.

Article 11. Motion carried to give the Moderator one week to make such appointments as voted under Article 10 above.

Adjournment.

LILLIAN M. YOUNG

Clerk of Ashland School District

State of New Hampshire
School District Warrant

To the Inhabitants of the School district in the town of Ashland qualified to vote in district affairs:

You are hereby notified to meet at the School Gymnasium in said district on the 11th day of March 1957, at eight o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two Members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to adopt a non-partisan ballot system for the election of district officers, as provided by law, this action to take effect at the regular meeting in 1958.

10. To see if the district will vote to publish in the Annual School District Report, a part of the Ashland Town Report, the following: (1) Name of Teacher (Instructor) ; (2) Level of Instruction (Elementary - Secondary) ; (3) Grade Level (if Elementary), Subjects Taught (if Secondary) ; (4) Salary. This article by petition.
11. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.
12. To transact any other business that may legally come before the meeting.

Given under our hands at said Ashland this 16th day of February 1957.

DIVISION OF MUNICIPAL ACCOUNTING

State Tax Commission

Concord, New Hampshire

July 30, 1956

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Ashland School District for the fiscal year ended June 30, 1956. In our opinion the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1956, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler, Director
Div. of Municipal Accounting
State Tax Commission

Alan R. Matthews, Auditor
Oliver E. Gagne, Accountant

Report of Superintendent of Schools

To the School Board and Citizens of Ashland:

I present herein my second annual report as superintendent of Supervisory Union #2 which includes the Ashland schools.

It has been agreed generally that the aims of the schools cannot be separated from the aims of society, any more than the concept of a good education can be differentiated from the concept of a good life, and, in our planning, we should strive to achieve the goals that have been listed in the report of the New Hampshire Conference on Education, "What the Schools Should Accomplish." The schools should produce men and women who:

1. have mastered the basic skills and tools of knowledge without which additional learning is impossible — the three R's;

2. know the history and geography of their country, understand the structure and philosophy of its government, have a feeling for its tradition of tolerance and fair play; i. e. good citizenship;

3. enjoy physical and mental health and understand the laws of hygiene;

4. have an appreciation of their own art and literature and that of other countries as well;

5. are able to provide for their needs by employment in the professions, industry, the arts and the sciences;

6. can fruitfully use, and not merely dissipate, the leisure time made available to them by the high standard of living in America;

7. have a true perception of right and wrong, and understand that no gain is worth the loss of a man's soul.

It was apparent at the preliminary conferences, in preparation for the White House Conference on Education, that the representatives of the New Hampshire schools felt that the schools should provide the best education possible for each child, whatever his ability. This means that the schools should have the facilities to handle the bright and the dull, the lazy and the industrious, the shy and the bold, the artistic and the practical.

Parent Teacher Association

The P. T. A. is to be complimented for the fine educational programs that have been directed toward the individual child

Guidance

Dr. Charles B. Regan, Director of Guidance in the Union, has developed a permanent record folder that will carry valuable information on each pupil to be used in counseling and a standard testing program for the Union has been set in operation for grades 1, 3 and 6 and, through the use of the University of New Hampshire Testing Service, batteries of tests for grades 8 and 11 have been administered.

Work Shop

The work shop this year—AUDIO VISUAL MATERIALS—was held at Ashland High School the latter part of September. The teachers were instructed about various ways of enriching their programs through the use of Visual Aids. Each one of the districts has included an item in the budget to enlarge this part of the curriculum.

Music

Mr. Arthur Welwood, Jr., a graduate of Boston University with a major in music education, is supervisor of music in the towns of Ashland, Holderness and Sandwich.

Mr. Welwood has set up a well-rounded program of music education throught the area. It was very gratifying to see the Ashland High School Band in the parade at Sandwich Fair and participating in the Veteran's Day program in Meredith.

Teachers

We were very fortunate in replacing the members that left the staff in June with well qualified teachers.

Mrs. Helen Knowlton, a graduate of Plymouth Teachers College and who has taught at Troy High School, took over the social studies program and girls' physical education. Mr. Guy Mann, Jr., a graduate of the University of New Hampshire and who has served two years in the Army, is teaching the English classes in grades 9 through 12. Mr. Robert Moody, a graduate of Plymouth Teachers College, is teaching the courses in business education; and Mr. Harold Proulx, a former Ashland High student and graduate of St. Anselm's College, is teaching the junior high social studies, mathematics, and coach of varsity sports.

As one observes the staff, he quickly realizes that they are not teaching subject matter but the boys and girls they meet each day.

School success frequently depends upon the home and I am hoping the fine teacher-parent relationship that exists will continue.

Conclusion

The members of the teaching staff and school personnel have been very cooperative, and where cooperation exists, counseling and discussion can be carried on to advantage.

To you, the members of the School Board, I am very grateful for the cooperation given me in carrying out the supervisory duties entrusted in me by you and the State Department of Education.

You, as Board members, deserve a great deal of thanks and praise for the many hours spent in carrying out the duties of a school board member and for serving your community in this very important position.

Respectfully submitted,

MARTIN E. HEFFERNAN

Superintendent of Schools

SUPERVISORY UNION #2

B u d g e t

The Union Budget for the 1957-58 school year has been apportioned among the five districts on the basis of the 1955-56 average daily membership and the 1954 equalized valuation as follows:

<i>District</i>	<i>Percentage</i>	<i>Supt's Salary</i>	<i>Travel, Sec. & Office exp.</i>
ASHLAND	20.15%	\$1,007.50	\$1,326.02
INTER-LAKES Meredith Center Harbor	42.06%	2,103.00	2,767.84
HOLDERNESS	12.37%	618.50	814.03
MOULTONBORO	15.35%	767.50	1,010.14
SANDWICH	10.07%	503.50	662.67
	<u>100.00%</u>	<u>\$5,000.00</u>	<u>\$6,580.70</u>

The superintendent's salary this year is \$7,000; \$4,500.00 of this salary is paid by the five districts in the Union and the balance is paid by the State.

Principal's Report

The following is my annual report as principal of the Ashland schools. During September of this school year all of the teachers attended a Union workshop on audio-visual aids held here in Ashland. Many new films, machines and audio devices were explained and have since been put into use. Through the efforts of many of the teachers and Dr. Regan, a new testing program has been initiated for the Union. This, plus new guidance folders for each individual pupil, which are about to be put into use, are two big steps towards better guidance. The social promotion system has been adopted for the schools of Ashland. This allows those pupils who do not have the ability to do graded work to be transferred to the next grade instead of being held back to repeat the grade. This would mean that when they are ready to graduate at the end of the twelfth grade they would receive a certificate of attendance instead of a diploma.

A Federally aided milk program has been instituted in the elementary school. A half-pint of whole white milk is being sold by the week to any elementary pupil at a cost of 10 cents per week. The remainder of the cost of the milk is borne by the Federal Government. This program has proven very beneficial to many of those who participate in it.

This year it has been necessary to have two grades split in the elementary school. This is due to the large enrollment in these grades as well as the lack of classrooms. In going over the enrollment figures for the next school year, it has been found that this system will have to continue.

Of the twenty-five who graduated from high school last year, five entered the University of New Hampshire, four entered Plymouth Teachers College, one entered Keene Teachers College, and two entered nursing training. This percentage, being almost half of the graduating class, is above the state average for those of a graduating class entering further training. The curriculum of the commercial course has been broadened by adding junior business training in the ninth grade. This now brings the commercial course up to standard for a small high school.

Cross-country has replaced soccer as a fall sport. The reason for this was the lack of a soccer coach available as a replacement for Mr. White. Mr. Proulx and the cross-country team did an outstanding job as their record of wins will show. The team placed second in the state meet held in Durham, and the school sent Irving Smith to the New England Cross-Country Meet in Maine the week following the State meet.

The girls' basketball team under the coaching of Mrs. Helen Knowlton lost two games out of sixteen and were runners up in the Pemi League this year. For the teaching staff and myself, I wish to thank all of those who have helped to make the Ashland schools better schools for the children of Ashland.

Respectfully submitted,

ROBERT C. GILMAN
